ROSEN JCC LEARNING CENTER

Pre-K Learning Curriculum

Play-based learning that builds confident, kindergarten-ready thinkers.

FEATURED CURRICULUM

The Creative Curriculum® for Pre-K

A leading research- and evidence-based preschool curriculum that nurtures kindergarten readiness for our 4-year-old learners.

This fun-filled curriculum brings together up-to-date print and digital tools that simplify planning, teaching, and family engagement — so every day is full of purposeful, playful learning.

WHAT SETS IT APART

Evidence-Based	Play-Based & Whole-Child	Kindergarten Readiness
Teacher-Friendly Tools	Family-Focused	

CURRICULUM HIGHLIGHTS

1. Honors the way children learn best through hands-on, play-based studies.
2. Saves teachers time with intuitive print and digital planning tools.
3. Nurtures language, literacy, math, and social-emotional skills every day.
4. Implements with ease, backed by video support whenever it's needed.

EVERY DAY

Kindergarten Readiness

Every day includes a dedicated focus on kindergarten readiness — building the language, math, social-emotional, and independence skills children need for a confident start to their next big step.
